

Heartbeat

Author : Ronb66

Date : May 8, 2014

This med style boat boasts a huge cockpit with retractable hardtop so you can fully enjoy the sun or the shade at the touch of a button. There are two large sun-pads, one at the bow and one over the rear tender garage that houses all the toys and tenders you need. Moving down into the boat there are three spacious cabins comprising of a stunning full width master complete with its own en-suite shower and toilet. Forward, there is another double c/w its own ensuite and a twin guest cabin midships. There is a well-equipped galley providing great surface area to make those important salads and refreshments. Guests can also relax down stairs thanks to a great U-shaped dining area.
